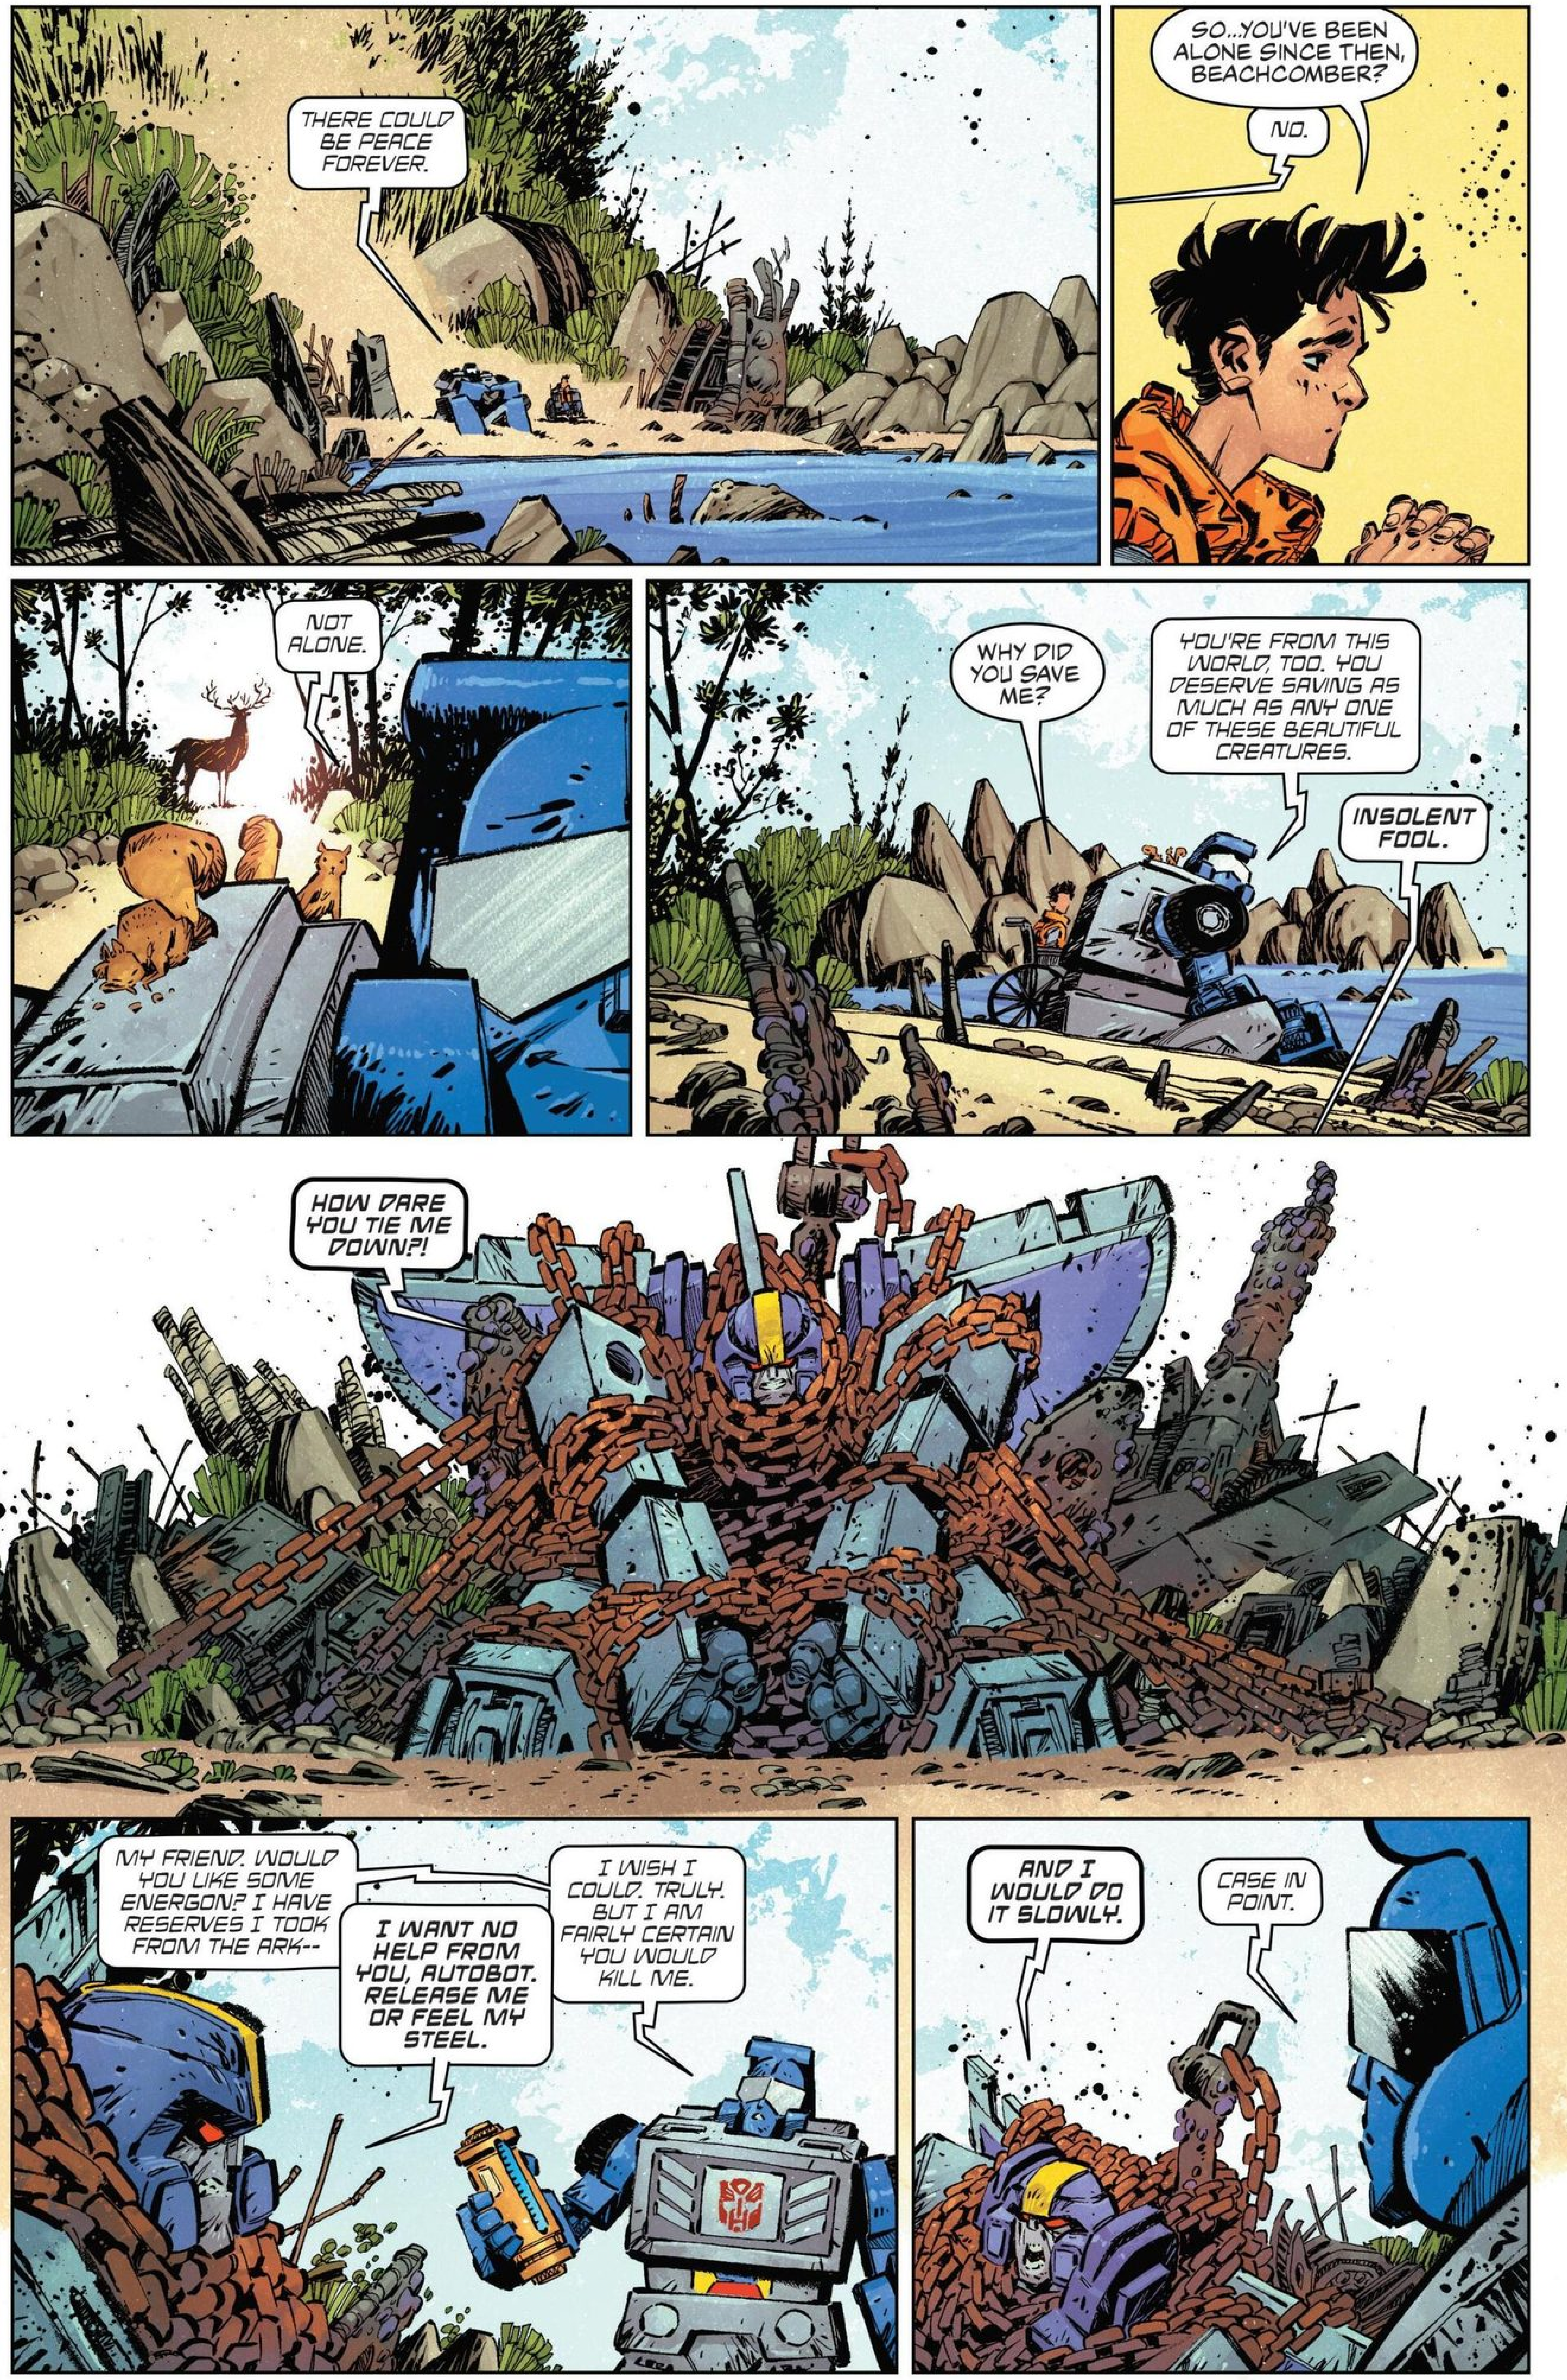
"I KNEW THAT EVEN WITH ALL OUR GOOD INTENTIONS, THE AUTOBOTS WEREN'T MEANT FOR EARTH. EVENTUALLY, WE'D END UP RUINING IT. I KNEW WAR WOULD START AGAIN, SOMEHOW, BECAUSE OF US.
"THIS WAY, THEY COULD SLEEP FOREVER."



THERE COULD BE PEACE FOREVER.
SO...YOU'VE BEEN ALONE SINCE THEN, BEACHCOMBER?
NO.
NOT ALONE.
WHY DID YOU SAVE ME?
YOU'RE FROM THIS WORLD, TOO. YOU DESERVE SAVING AS MUCH AS ANY ONE OF THESE BEAUTIFUL CREATURES.
INSOLENT FOOL.
HOW DARE YOU TIE ME DOWN?!
MY FRIEND. WOULD YOU LIKE SOME ENERGON? I HAVE RESERVES I TOOK FROM THE ARK--
I WANT NO HELP FROM YOU, AUTOBOT. RELEASE ME OR FEEL MY STEEL.
I WISH I COULD. TRULY. BUT I AM FAIRLY CERTAIN YOU WOULD KILL ME.
AND I WOULD DO IT SLOWLY.

HE WAS GOING TO TAKE ME TO ANOTHER DECEPTICON.
AND I SHALL STILL. SHOCKWAVE WILL HAVE MUCH INTEREST IN YOUR FLESHLY PARTS.
...SHOCKWAVE?
YOU'VE HEARD OF HIM?
EVERY AUTOBOT HAS.
COLD. CALCULATING. A DEADLY STRATEGIST. HE LIKES TAKING HIS TIME WHEN HE PULLS AUTOBOTS APART.
AND HE AND SOUNDWAVE WILL TAKE THIS PLANET FOR ALL IT'S WORTH.
WHAT DOES HE MEAN?
MY HOME. HE'S GOING TO HARVEST IT. THEY'RE GOING TO BLEED IT DRY.
SAD BUT TRUE.
WHAT DO WE DO?
I PROMISED MYSELF I WOULD NEVER HURT ANYONE OR ANYTHING AGAIN. THAT MINDSET DOESN'T EXACTLY HELP IN A WAR.

WE ARE ON THE DOORSTEP TO A NEW DAWN OF CYBERTRON, AND YOU'RE HERE DISTRACTING YOURSELF WITH SUCH THINGS? BAH!

SHOCKWAVE HAS SEEN THIS PLACE NOW. HE WON'T LEAVE IT UNTOUCHED. HE'S GOING TO TAKE WHAT IS HERE TO FUEL OUR HOME AND THE DECEPTICON ARMY.
WE MUST STOP HIM. WILL YOU JOIN ME?
"MY BROTHERS. IT IS TIME."

THE MATRIX OF LETTERSHIP

SEND LETTERS TO
TRANSFORMERS@SKYBOUND.COM

Welcome back for another thrilling episode of "The Matrix of Lettership" with your co-host, Ben, and the Eisner-nominated Daniel Warren Johnson!

Eisner nominated for not one, but TWO categories for my work on TRANSFORMERS! What can I say but "wow". What an honor. But this is also a good reminder of how many people have helped bring this book to life. Mike Spicer and Rus Wooton (who is also nominated for an Eisner!) are a big reason why this comic is so successful, and I wanted to take a moment and thank them, along with the entire Skybound team, who works so hard to make this comic so special every damn month. Let's get to em!

Hello, Transformers team!

I'm a very recent fan of the franchise (since last summer!), so your comic is my first Transformers comic!

And I have to say, I love it! It's fantastic! Optimus is better than ever, and Cliffjumper, one of my favorite characters, stays alive and becomes one of the main characters! And Carly, that obscure character from G1, becomes a really interesting character! Starscream is completely insane, and Megatron promises to be a real menace! And it's visually stunning!

I was just wondering if you're going to stick with a single Transformers comic, or if there will be several different comics on this franchise.

With all my affection and my respect.
Cyprien

Welcome, Cyprien! There's a long history to the comic lives of the Transformers. I'm glad you've come on board here and I'm jealous you get to experience so many cool stories for the first time! I don't believe any spinoffs will happen during my run. Enjoy!

My mom grew up watching The Transformers and collecting the comics. As a kid, the 1980s tv show was the only television I was allowed to watch besides PBS. When I was old enough, she dusted off her old comics and handed them to me to read. I had never read any comics before. The Transformers was amazing; a peek into this awesome millennia-spanning civil war between transforming robot aliens.

I remember seeing the cover of #5: "The Transformers ARE ALL DEAD" with Shockwave. The dread of seeing all the Autobots defeated, and Shockwave in charge of the Decepticons! The horror when Spike encounters Optimus Prime's captive decapitated head! That was the issue that really got my attention. I am excited to see what happens when Shockwave arrives on the scene in Skybound's Transformers.

My mom died when I was a teenager, but not before she passed her love of Transformers to me. Staying engaged with the franchise is a fun way of remembering her and the time we spent together. I know she would have loved to see what you all have done with the characters, setting, and story. When I read the new Transformers, it feels like I'm sharing it with her too.

Thanks to the team behind this series for their effort, dedication, and care (and the awesome robot battles).

Marko

Marko, thanks so much for sharing your Transformers mom moments with us. There have been many things that my own parents have passed down to me that have changed my life (Star Wars!) so it's fun to hear that yours passed down Transformers, which my parents didn't give a HOOT about. Take care of yourself.

Dear Matrix of Lettership,

I have been reading comics for years and years. I barely remember not reading comics (I am 45). But I've never written in. This is my first time.

When I saw advertisements for the Energon Universe reboot…I was very excited. But Transformers now stands a head taller than all other comics in recent memory. I mean…since Flashpoint and The New 52. Since McFarlane's Spider-Man and Spawn 1-100. And it works better than the comic book versions before it for some good reasons…you are bringing real life to these characters. Everyone introduced so far has some reason for you to care about what happens to them. From Megatron in the hands of Cobra Commander to Soundwave taking revenge against Starscream for kicking Ravage.

But issue #8 is plumbing some even

deeper depths. There is real grief from Carly and Spike. And it all weighs so heavy on Optimus. I wonder if personal experiences from the writers are going into this character development? I know it spoke to me because I have had some intense grief in the past few years. But one panel in particular stuck out. I felt like this small panel should have been a cover. Can it be? Is there a way?) Optimus sits beside Jetfire, who is barely alive and evidently on his way out. He says "I cannot see the stars anymore." And "Don't leave! It's so dark. Please…"

Yes. We all read it. But for me, it struck a nerve. I have sat beside too many dying saints who just needed or would have wanted someone to be there. You mentioned the issue was very hard to write and you didn't know why. I think I know. There was so much conscience in this work. From this touching panel to SkyWarp changing his mind to Thundercracker wishing to spare the humans.

I think the last book that got to me like this was Action Comics #13 WAY BACK in the New 52 (The Krypton issue). The moment between Optimus and Jetfire also reminded me of "I don't feel so good Mr. Stark!" And we all sit there feeling so many emotions as Tom Holland/Peter Parker fades away. It weighed that much. And full disclosure, I never have been that big of a fan of Jetfire. (Loved the Revenge of the Fallen version). You made me care. Mission accomplished!

Heath

Thanks so much for recognizing myself in the pages, Heath, and for recognizing the struggle! By no means do I try to put my actual feelings into TF, but we all have things we go through that influence how we feel about the world, and it's my personal opinion that storytelling is very bland and one note without that individual human perspective. I'm hoping that TRANSFORMERS is a little like a reader taking some "DWJ goggles" and seeing what the filter does to the world around them. I'm trying my best to put myself in the worlds' shoes, and what better way to do that than with Optimus friggin Prime? Maybe that's embarrassing to say out loud. OH WELL.

Hello! Hope you all are doing well!

I'm an aspiring comic artist and these comics are a huge inspiration to me both art and story wise. The dialogue, the art, THE ACTION SEQUENCES, the EMOTION. IT'S SO GOOD! My boyfriend and I have been reading every issue that has come out and are anticipating every future one.

Okay! Questions!
Number one: What made y'all decide to kill Bumblebee?
Two: Will we see Prowl soon? Or any other Autobot/Decepticon in the near future?
And finally, a question from my boyfriend: Will the Dinobots make an appearance? Particularly Grimlock? (Alive he says)

Thank y'all so much for giving us these awesome comics!

From,
Laurel and Logan

1. ***I was personally tired of seeing him everywhere, and I wanted to draw Cliffjumper more than Bumblebee.***
2. ***The cast shall be expanding! That being said, I can't comment on anyone specifically.***
3. ***GRIMLOCK STAY QUIET AND NOT SPEAK.***
4. ***Thank you for your kind words, my friends!***

Well, it's that time again. Every weekday morning I get my kids ready for school and drop them off, and afterwards, I usually go to a coffee shop and write… you guessed it: TRANSFORMERS. My local Starbucks is very familiar with my hair pulling and hand wringing from 8:30 am to 10:30 am, wondering if this journey is worth the time and effort, and if what I'm doing is even good and how do I make this special and it's so damn hard and these are licensed characters should I be putting this much emotion in and YOU GET WHERE I'M GOING. I'm busting my ass and it feels so good to get validated by these letters.

Much love to you all,
-DWJ

Thanks for reading everyone and keep the letters rolling in!
-Ben
